GOMPELS CUTS DELIVERY CHARGES FOR CHRISTMAS RUSH

Nursery Managers stocking up with everyday consumables and festive seasonal products for the Christmas period can take advantage of reduced delivery charges offered by Gompels Healthcare Ltd on orders less than £50. Orders over £50 are delivered free.

Gompels Healthcare Ltd, a leading specialist supplier to the nursery sector, has cut their delivery charge to £5 for orders under £50 following the development of more efficient processing systems and new improved logistics.

Gompels offers a full range of every day nursery supplies such as playtime and baby feeding products, as well as cleaning and janitorial products, at knock down prices.

The winter seasonal range includes Christmas Crackers, Santa napkins and snowmen plastic table covers as well as Ice-melt and rock salt so nurseries can keep their paths and car parks snow and ice free. A January sale is promised with a range of buy-one-get-one-free offers.

For further information, contact the sales team at Gompels Healthcare Ltd on 0845 450 2420 or visit www.gompels.co.uk for on line ordering.
